Great, thanks! Do you mind updating all of us on Dewey Burdock activities? We might also talk about tribal coordination as well. I can send you the agenda later this week.

Hi Valois,

I have a briefing scheduled with Martin to talk about the Darrow/Freezeout/Triangle Mine site (formerly Abandoned Uranium Mine site) if you would like to join! It is mostly to talk about the PA and next steps. I might use some of your previous briefing materials (maps, figures, etc.). I'll call you to fill you in further as well. Up to you though if you would like to come and share your perspective.

Thanks,

Dania Zinner
